CPE Credit Information

The Virginia Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Documentation of attendance at individual CPE sessions is accomplished through a post-session evaluation form. To obtain education credit, an attendee must request credit via the VPhA website (www.virginiapharmacists.org), complete a session evaluation, and request credit no later than December 11, 2017. Accurate NABP ePID information is required; obtain your NABP ePID at www.nabp.net. Failure to provide accurate NABP ePID or date of birth information will prohibit credit issuance.

Education Planning and Application

Topics selected for the RPhA Fall 2017 Continuing Education Session were develop by the Richmond Pharmacists Association. based upon input from their members and from review of surveys of other state associations of their members' needs. RPhA utilized contemporary literature search to determine the level of education and educational gaps of members in order to design specific topics and learning objectives.
